FOREST FIRE WARDEN'S REPORT

To the Selectmen:

Each year there is a demand for a statement on forest fires for publication in the annual town report. It is believed they serve a good purpose locally in preventing fires. May we respectfully request publication on the following in your town report.

Sincerely,

THOMAS J. KING,

DISTRICT FIRE CHIEF

You Can Help Prevent Forest Fires

Twenty-five percent of all forest fires in New Hampshire are caused from careless debris burning - brush, paper, leaves, grass, etc. Most of them are started without the required permit from the local forest fire warden. The cost of extinguishing these fires annually runs into large sums of money.

According to law, responsible parties must pay the cost of putting them out. In addition, violators may be subject to court prosecution with fines running as high as (\$200.) two-hundred dollars.

In the interest of fire prevention why not eliminate burning at home? Use your town dump. It has been set up for your personal convenience. It provides a suitable place for the disposal of dangerous inflammable waste material and other useless items which accumulate around the home and local stores; brush, etc., cut on your property. Eliminate the hazard of burning yourself. It will be easier for you personally and financially.

If, however, you do burn on your premises:

1. Secure a permit from your local forest fire warden - the law requires it.
2. Be sure to properly supervise your burning. Don't leave it.

3. Make certain your fire is DEAD OUT before leaving it.

SAVE YOURSELF MUCH POSSIBLE DIFFICULTY.
USE YOUR TOWN DUMP.
